“How To” Guides

_____ **Going into Business in Wisconsin: An Entrepreneur’s Guide**
Not available - currently under revision.

_____ **Entrepreneur’s Toolkit (CD-ROM) (Not available – currently under revision)**

Other Publications

_____ **Starting a Business? Here’s Help (Revised 2/07)**

Resource directory for entrepreneurs, as well as for existing business firms. Also available in PDF at:

http://commerce.wi.gov/BDdocs/BD-Starting_a_Business.pdf

_____ **Printers’ Environmental Compliance Assistance Workbook (\$25.00)**

Environmental requirements can be confusing and intimidating. The Wisconsin Printers’ Environmental Compliance Assistance Workbook can help improve both understanding of the requirements and environmental performance. The workbook is written in “plain language” and walks through the requirements and spells out exactly what needs to be done for compliance. (Printed April 2007) Also available in PDF at:
