**PECFA UPDATE #37**  
**November 20, 2008 PLEASE POST**

**New PECFA-Approved Agent List**

In an effort to move more stalled sites toward closure, PECFA is expanding the consultant-agent status program for consulting firms. Agent status allows PECFA to issue a joint reimbursement payment to the owner and the consulting firm. This can simplify many of the problematic situations that have caused site progress to become stalled, and has proven to be successful when used on a trial basis at other sites.

To facilitate increased use of the consultant-agent status process, PECFA is generating a list of pre-approved agents to assist interested responsible parties.

Please see the information about becoming an approved agent on our web site at:

<http://commerce.wi.gov/ER/ER-PECFA-Agents.html>

After reviewing the consultant-agent information, if you are interested in being on the list, please fill out the registration form on the web at:

<http://doa.wi.gov/WebSurveys/TakeSurvey.aspx?SurveyID=7452n16>

Consulting firms completing this registration will be included on a geographic contact list which will be published on the PECFA web page.
