Education Hours Required to Renew: The renewal of a credential as a certified commercial building inspector which has an expiration date after June 30, 2006, shall be contingent upon the inspector obtaining at least 24 hours of acceptable continuing education by March 31st of the year the credential expires. People unable to attend lectures or seminars may be able to obtain the necessary hours through correspondence courses. Correspondence courses must also be completed at least three months prior to the expiration date in order to avoid taking the exam. A person who holds a credential as a certified commercial building inspector may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.
