
Municipal UDC Enforcement Statuses and Contacts

Starting JANUARY 1, 2005 there has been statewide Uniform Dwelling Code (UDC) enforcement. This list (in alphabetical county order) provides the current UDC enforcement status for municipalities per the following codes:

- Town, Village or City Enforcement by: S - State-Contracted Inspection Agency; C - County UDC Enforcement (see county entry for contact information); M - Municipality Enforcement;
- Single-Letter County Code: Y - UDC Enforcement by County; N - No County Enforcement

(Note that this list is subject to change as municipalities adopt or rescind municipal enforcement ordinances.)

If a State Inspection Agency is listed, then you only need to contact them for new dwellings only (dwellings that did not have a WI Administrative Building Permit issued before 1/1/05 or footings and foundation installed by that date) - not for alterations and additions. (Note that starting December 1, 2009, the Wisconsin Department of Commerce will take over direct enforcement of the UDC for new homes. Contact us at 608-789-5656 or udctech@wi.gov for permit application information.) The inspection agency permit fees are listed per the following:

- Fee 1 - Base price of permit for one- or two-family dwellings up to 800 square feet finished interior area, including finished basements, but not including garages, unfinished basements, breezeways, porches or decks. The fee for a duplex dwelling shall be calculated as for a single-family dwelling.
- Fee 2 - Cost per square foot beyond 800 square feet of finished interior area
- Fee 3 - Cost per square foot of non-finished areas including garages, breezeways, porches and decks and unfinished basements. (A finished basement has a finished ceiling.)
- Fee 4 - Any required inspection trips in excess of 8

In addition, the following fees are also applicable in state-contracted inspection agency areas:

- Permit applicants will also be charged an additional \$30 for the Wisconsin UDC Permit Seal.
- Fees for manufactured dwellings and manufactured homes (eff. 4/1/07) shall be the base fee for any closed-panel manufactured areas and full fee for site-built areas.
- Fees for dwellings with neither plumbing nor electrical systems shall be 2/3 of the normal fee.
- Fees for dwellings started prior to the earlier of permit issuance or prior to ten business days after permit application and no review action has taken place shall be an additional 50% of the normal fee.
- Fees for any separate footing and foundation approval shall be \$50.

- Fees for manufactured homes on slabs shall be 1/2 of the 800 square foot base fee. (eff. 4/1/07)
Contact the Wisconsin Division of Safety of Buildings for update information at our website, www.commerce.wi.gov/sb or tel. (608)267-5113.
